

TEXT/SMS COMMUNICATIONS CONSENT FORM

Text Messaging/Emails and Online Access Consent/Decline Form

Total Medical Personnel Staffing can now communicate with associates and clients using simple messaging service(SMS) text messages and emails. These can be received with an appropriate device i.e. smart phone or tablet and can include work schedule and general information.

These services should not be solely relied upon, the responsibility of your work schedule or schedule cancellations, still rest with you.

The messages are generated using a secure system however, they are transmitted over public networks to a personal device and as such are not secure. The practice will not transmit any information that would enable an individual associate or client to be identified without prior consent. You can cancel these services at any time.
